Immigration Law

The law's evolving—get practical tips to advise your clients

Here's why you need this course

Are you looking for a solid foundation in immigration law and procedure? Then you need MCLE's intensive, two-day program of lectures and interactive workshops on immigration law. You get a practical introduction to the concepts, procedures, and practice of immigration law, with updates and real world strategies for successful lawyering in this complex specialty. The panels of experts provide you with an overview of the laws, regulations, and agency policies. Interactive workshops involving hypothetical case studies teach you to spot issues and assess the immigration options for your clients.

Lecture sessions—hear from the experts about...

- ▶ **Nonimmigrant Visas**
Visas for visitors, foreign professionals, managers and specialized workers of international companies, and students; status issues-maintenance, change and extension of status, overstay issues; premium processing, H-1B portability; State Department issues
- ▶ **Immigrant Visas (Green Cards)**
Employment-based petitions; family-based petitions, adjustment of status (in the U.S.), and processing at U.S. consulates abroad; Child Status Protection Act
- ▶ **Bars to Permanent Residence**
Criminal and noncriminal; waivers
- ▶ **Citizenship**
Derivation; acquisition; naturalization
- ▶ **Removal (Deportation)**
Grounds of removal; relief from removal; Immigration Court practices and procedures
